Dear Parents/Carers

Adjustment to school uniform due to heat

Due to the weather conditions of this week there will be some adjustments made to uniform expectations. Students can choose not to wear their ties. In addition they are able to wear PE Kit as school uniform for the remainder of the week. Students have the option of wearing school PE kit which must include appropriate shorts and approved school PE tops. If students do not feel comfortable wearing this then students can remain in normal uniform. It would be advisory that students also prepare for these days by using sun cream with appropriate factor level and ensuring students have a water bottle.

A gentle reminder that Friday will be an Inset day with students not expected in school.

Thank you for your support.

Yours faithfully

Mrs Dee Elliott
Headteacher
