

Nailsea School: Pupil Premium Support.

The information below details some of the financial support that can be offered to students in school. There will always be cases where a student's individual needs and personal situation are taken into consideration; this type of support might not be detailed here.

We hope that this document clearly outlines the types of support and other opportunities available. **If there is something not listed here that you would like support with, please contact srutty@nailseaschool.com and we can see if we can help.**

Area of support	Support from the school	How do families access the support?
Lunches	Not all Pupil Premium students are entitled to a free main meal each day. Please check your eligibility via the North Somerset website.	Free school meals are applied for via: http://www.n-somerset.gov.uk/my-services/schools-learning/local-schools/schoolmeals/freeschoolmeals/
School Uniform	We can subsidise the purchase of new school uniform (including P.E kit) with 'School Tog' vouchers. There is also a range of as-new uniform available through the PTA.	Please contact either your child's Head of House or srutty@nailseaschool.com if there are specific needs.
Music lessons	Students are offered support towards peripatetic music lessons (on a variety of instruments) and singing lessons. The funding covers up to a maximum of 30% of the annual costs, which does significantly reduce them. This can be accessed by speaking to the Head of Music.	Music lessons are organised by the Music Department. Letters will be sent by the department to the parents.
Residential Trips and visits	Financial support is available towards the overall cost of residential trips. This is usually a percentage of the trips' cost.	Parents should contact the trip organiser to discuss this support.
Additional pastoral support	We have a mentor who will be supporting students to ensure they make the best possible progress. If appropriate, interventions will be put in place to focus on supporting your child. This may mean: <ul style="list-style-type: none">• Small group work outside of the classroom• In class interventions or targeted meetings• 1:1 work outside of the classroom. These sessions are aimed at supporting individual needs.	These interventions are organised by Sophie Rutty & Dominic Graffagnino (Assistant Heads) in liaison with class teachers and tutors. srutty@nailseaschool.com

Additional support in English, Maths or Science.	Using the School Led Tuition grant, we will be providing 15 hours of online tuition to some students. The tuition will be provided by My Tutor.	Mr Reddiford has oversight for this support. If families do not have the necessary IT to support this tuition, this can be provided by the school. jreddiford@nailseaschool.com
Other financial support	Support can also be given towards: <ul style="list-style-type: none"> • Subject specific trips • Books and equipment • Clubs • Other reasonable requests from families 	Typically, this support is organised by curriculum areas. For trips, funding may be based on a consent form being completed by a parent or carer. If a student would like to attend a club run by the school, students or families can approach the member of staff running the activity. In the event of a family wishing to make an additional request for Pupil Premium funding all enquiries should be made to srutty@nailseaschool.com or through your child's Head of House.
Non-financial support	A range of support is given to students who are eligible for Pupil Premium support. Teachers, tutors and other school staff are aware where a student is in receipt of Pupil Premium and will personalise provision in their lessons as required without stigmatizing or drawing attention to the fact. In addition, and where required, students can access support such as: <ul style="list-style-type: none"> • Homework support – timings for 'Study Space' will be confirmed at the start of each academic year. • Breakfast Club – in the Juice bar from 7.40am on Thursdays. • The D.E.N (small group and 1:1 sessions). • Small group programmes to support a range of needs including social thinking, confidence, resilience & organisational skills.
