Re: The ABSolute Curriculum 2023-24

Dear parents and carers,

As we begin a new academic year, I wanted to provide you with an overview of the ABSolute Curriculum, particularly the extended tutor time (ETT) curriculum for your child's year group. ETT is an important part of educating our young people on building healthy relationships, understanding their emotions and bodies, and making safe and informed choices.

All content is age-appropriate and has been carefully planned to ensure that student learn in a safe and inclusive environment. If you have any questions or concerns about the curriculum, please do not hesitate to contact me.

You can find more details about our personal development programme which includes the ABSolute Curriculum, Careers Education (overseen by Mrs. Rutty, Assistant Headteacher – Aspiration and Inclusion), SMSC and British Values on our school website here: <https://www.nailseaschool.com/personal-development/>. The programme provides the foundation to support students' overall growth and equips them with knowledge and life skills to thrive as individuals and valuable members of society. We welcome your engagement and feedback on our personal development curriculum.

You can find out about this year's ABSolute Curriculum on our school website here: <https://www.nailseaschool.com/student-life/absolute-curriculum/> where you will find up-to-date information about this year's curriculum including the extended tutor time curriculum map and other related documents.

The ABSolute Curriculum is vital for developing students' personal development; equipping our young people with the knowledge and skills to make safe, ethical and healthy life choices. Your support as parents/carers in reinforcing these lessons is greatly appreciated. I look forward to working with you to provide the best learning opportunities for your child.

Kind regards,

Mr. Joshua Boyce

ABSolute Curriculum Coordinator
