Extra-Curricular Directory

Please use this directory to get an overview of the clubs, groups and activities on offer in Nailsea, Bristol and the wider community.

The school is in no way affiliated or linked with any of the clubs that feature in this brochure. This directory is just to act as a reference point for signposting opportunities for our young people to be involved with sports and physical activities beyond the classroom. This list has been drawn up with support of students (current and past) at Nailsea school who have previously or are currently attending these clubs.

All contact information and details were accurate at the time of printing.

If you've got an idea or a suggestion for a club that could feature in this brochure—why not share it with a member of staff?
