# House Challenge: Paper Chain

## What:

A paper chain measuring 54.33 miles long was made by 60 people in 24 hours. You have a week will your House paper chain beat that?

Using recycled paper, each tutor group will make a paper chain, to be joined with all House tutor groups paper chains. The winner will be the longest paper chain – if there is a tie the deciding factor will be how well the chain is decorated!
