

# How to plan and prepare for KS4 Music (Listening and Appraising paper)

In Music, we **Upload, Process** and **Download** our way to successful grades, just like in all other subjects.

These listed strategies are supported by educational research, and are designed to enable you to engage with activities which result in successful outcomes.

1

Consolidate class notes, create flashcards, memorise your MAD T SHIRT and knowledge organisers. Listen to lots of music from our Area of Studies.

2

Test and quiz each other, can you recall all of the MAD T SHIRT musical features for each style of music? Listen, listen, listen to the specific styles of music and make sure you can HEAR the musical features. Use your class notes to help with this.

3

Respond to past paper questions. Try to write out a MAD T SHIRT for a piece of music (from the relevant genres) that you haven't heard before.
