

Morning Routines

Each new day, gives a new opportunity for you to shine!

Students arrive at school and meet their friends by **8.25am**.

The school building is open to students from **8am**

Students check they are wearing the **correct uniform**, with **all devices away** at the 8.25 am bell.

Students arrive at their Tutor Base at **8.30** in time for the second bell.

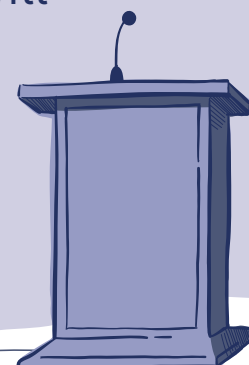

On Monday, Wednesday, Thursday and Friday students attend their **vertical Tutor Group** to start another brilliant day in their Tutor Base.

If students arrive after 8.30am they will be marked with an 'L' code and they need to attend a breaktime detention in room 132.

On Monday, Wednesday, Thursday and Friday, tutor time starts at 8.30 am

On one of these days students will attend a **House Assembly**.

Students **enter in silence and listen to key messages**. Regularly these will be focused on celebrating the things students have achieved.

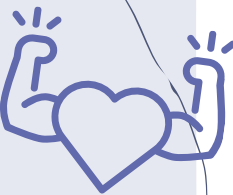

On the other days the House will follow organised activities according to a schedule.

One of these days will include a **silent reading day** - students are expected to bring a reading book.

On Tuesdays students attend Extended Tutor Time (ETT).

This will be with students in the same group following our ABSolute curriculum.

This will be in a different room to the rest of the week, and helps students wider **Personal Development**.
