

Rewards for All

Be caught, doing the right thing!

At the end of **every lesson**, the teacher will award a **Golden Ticket** to one student who has shown great learning behaviours.

This is worth 5 House Points

During lessons students can also be awarded additional **House Points** for showing great behaviours.

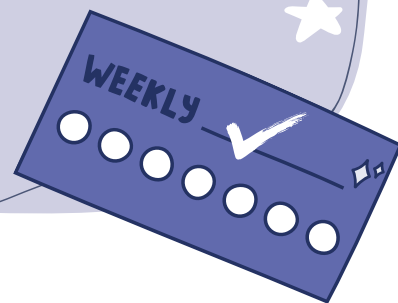

Every term students in each year group are acknowledged as Diamond, Gold, Silver & Bronze learners for the House Points earned that term.

If students attend for a full week without an absence, their tutor will issue them with a ***Full House Friday*** raffle ticket.

Being in school all week without any late marks will double the number of tickets issued.

Staff also have **raffle tickets** on them, which they can issue to students outside of lessons at any time.

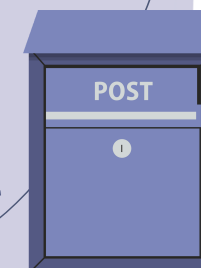

Students will receive these for **demonstrating our school values**, such as kindness and community.

On being issued a raffle ticket students write their name and tutor group, on the back and post them in the post boxes in each House area.

At the end of each term one ticket is drawn per House to receive a voucher.

All students who have posted a ticket have a chance to win!

In the last two weeks of term our **'Belonging Weeks'** give students the chance of **winning a treat** just for **being in their seat** and attending on that day.

At the end of every term students also receive acknowledgement for outstanding, strong or good levels of attendance, as well as improving from term to term.
