

**Facilities description:
Non sporting:**

Conference Room

The Conference Room is light and airy room, with a relaxed atmosphere, with seating for up to 30 delegates. Situated in the staff corridor away from the main school traffic it means that your business meetings will never get disturbed by students moving around in between lessons. It also protects users from having to contend with students when arriving and departing from the site. The room comes complete with a computer and projector, allowing for presentations and easy access to the internet. Seating can be arranged to suit individual requirements i.e. Board room style, horse shoe, chevroned. Refreshments available.

Green Lecture Theatre

The Green Lecture Theatre (GLT) with retractable seating for up to 136 people is ideal for meetings, guest speakers, seminars or evening education classes. The GLT houses a computer and projector to show presentations or video footage and there is the option of a full sound system including roaming and lapel microphones. Can be used for science and catering presentations due to the benefit from having gas supply, and sink area. Additional seating can be added to take the overall capacity up to 155.

Standard Classroom/Double Classroom

Classrooms are available to hire during evenings, weekends and throughout the school holidays. A standard class room can hold up to 30 people, a double up to 60. All classrooms include: computer, projector, speakers and whiteboard, and some classrooms have access to interactive whiteboards. Rooms can be set up to accommodate individual needs. Tea and coffee facilities available. Quote for refreshments per request.

Auditorium

The Auditorium has retractable seating for 244 people; with additional floor seating the capacity can be taken up to 300. The Auditorium is ideal for musical productions, conferences, product launches and presentations with full stage lighting and a full AV system, including roaming and lapel microphones. Adjoining the auditorium is an additional room to allow for the stage to be erected. This also gives extra floor space for presentations or productions. The extra room has full curtains to hide 'back stage' and a further projector and screen. This room is included in the charge for shows and large events.

N.B.

All the above rooms are temperature controlled to suit your requirements, making them ideal venues for your various needs at all times of year. Wi-Fi is available throughout the school, tea and coffee and refreshments can be arranged for an additional cost. For any other queries please feel free to ask, and we will try our best to accommodate your needs.

Sporting:

Sports Facilities

We have a wide range of first class sports facilities for use at evenings, weekends and during holiday periods.

Dance Studio

A perfect place to hold a dance or exercise class, it is equipped with sprung floor, mirrored wall and dance bar. Complete with a full AV system including: CD player with iPod docking station, DVD player, projector and lighting. The room also has retractable seating for up to 129 people, making the room ideal for small conferences and presentations. The room is temperature controlled to accommodate individual needs.

Sports Hall

A modern facility including four full sized badminton courts, four mini basketball courts, a full size basketball court, 5 a side football and 2 indoor Cricket Nets, full size netball court and volleyball. There is a digital score board for the competitors out there and power points located around the hall, ideal for providing sound classes.

Sports Pitch/Golden Valley Playing Fields

We have one pitch on our main schools site, and two further pitches located at Golden Valley. These pitches are available for hire during evenings, weekends and during school holidays. Depending on the school teaching calendar, pitches may be marked out for football, rugby or athletics. Pitches are not floodlit.

Multi Use Games Area (M.U.G.A)

There are two MUGAs' at Nailsea School. Both are tarmac courts with markings for various sports including: netball, basketball, tennis and hockey. Whether you are planning to train for one of the above mentioned sports, or just looking for a large training area these are perfect. Split over two areas, you can have various different sessions going on at any one time. Courts are not floodlit.

Fourth Generation (4G) All Weather Pitch

One of only a few in the UK, with FIFA accreditation. Marked for Hockey and football. The 4G has a built in drainage system , ensuring it never becomes waterlogged, and will never freeze, making this the ideal, all year round training venue for your team. The pitch has various layers and rubber crumb enabling users to wear moulded boots as well as astro-turf boots and normal trainers. The pitch can be divided into thirds by sets of curtains; enabling users to play 3 full 5-a-side games at any one given time, or separates different age groups from the same club. There are 3 sets of 5-a-side goals, full size football goals and full size hockey goals, which are easily interchangeable, along with markings for all previously mentioned sports. During the winter the pitch benefits from full floodlighting, making it easy to carry on training or fixtures after dark.

N.B.

All the above facilities benefit from having access to all the needed equipment for your training session with prior agreement at time of booking – additional charges may apply. Changing rooms and showers are available free of charge for each booking. Drinking water facilities located next to the sports hall.
