

Y11 Transition work for French

Task 1 - linked to Paper 2 Writing exam

Purchase an English copy of L'Étranger by Albert Camus (this is the set text we will be studying). You can pick this up on ebay for £3-4. Read the book and summarise the following:

- Main plot (why is it in two parts?)
- Main character(s) (consider their relationships with one other)
- Main themes throughout the text

Task 2 - Grammar Practice (integral part of all 3 exams)

Purchase a copy of AQA A Level French: Grammar & Translation Workbook Steve Harrison ISBN- 9780198415534

This resource is specifically designed for transition purposes and is an excellent way of revising key grammar points. **Work your way through as many pages as you can.** You will continue to use this resource independently over the 2 year course.
