

### Wave 1 Universal Offer- Quality first teaching

- All staff aware of potential barriers to Learning – **Student passport implemented with Q code.**
- All staff made aware of students' reading standardised score and use recommended strategies.
- In class, differentiated curriculum planning, activities, delivery and outcome.
- Structure school day and class routines.
- Quality of Teaching and Learning high priority for all staff- see academic interventions.
- x3 progress reviews per academic year with follow up progress meetings where appropriate

*The Universal Offer is basic entitlement that ALL students have access to.*

*If underperformance is identified, then the student will move to Wave 2.*

### Wave 2 Graduated approach- Department support

- Class teacher to implement department strategies- see academic interventions.
- Curriculum Leader to monitor (along with class teacher).
- Teacher/ 1:1 discussion with student (identify possible barriers).
- Set short term curriculum targets (2 weekly check).

*If a student's underperformance persists and is clear in multiple subject areas,  
the student will move to Wave 3.*

### Wave 3 School support

- Targeted intervention: Literacy/numeracy/Social thinking.
- Diagnostic Dyslexia Screener for SPLD.
- In class targeted support.

*Extended SLT oversight, Senior Head of House and SENCo will be involved in the monitoring and decisions surrounding Wave 4 initiatives.*

### Wave 4 External advisory teacher/Educational Psychologist/Children's services:

- Referral with parent consent.
- Parent meeting with EP/advisory teacher.
- Update student passport with strategies and monitored using graduated approach.

*Extended SLT oversight, Senior Head of House and SENCo will be involved in the monitoring and decisions surrounding Wave 5 initiatives.*
