Independent Task (to be submitted):

Write an essay on the topic: 'What did Genie teach us about child development?'

Watch Genie's case: [click here](#)

Read about Genie's case: [click here](#)

Use your new knowledge about HSC through the watch, read and research tasks.

Consider the following questions in your essay:

- Who was Genie? Why was she of such interest to Psychologists?
- What happened to Genie? How was her development disrupted?
- How did Genie show developmental delay? Consider the PIES (physical, intellectual, emotional, social)
- What did Genie teach us about language acquisition?
- What skills and attributes would the professionals who looked after Genie need to demonstrate?
- Challenge question: How did Genie support or not support Piaget's Cognitive Development theory?
