## Ambition

Calling all students interested in a career in the police!

Please find attached a superb opportunity for current yr10 and 11 students to take part in a Hunted activity over the summer break. Replicating the process of the television programme our students could be the ones that apprehend the fugitives. Details are on the attached flyer but, do so make contact quickly as places are limited.

## Respect

It was a delight to attend the Summer Concert on Tuesday this week. I am in awe of the talent and confidence that students have. I know that the audience thoroughly enjoyed the evening.

## Kindness

Many thanks to the parents and students that have already completed our 'Staff Thank you' form. Apologies there was an issue with the link in last week's letter. If there are any particular members of staff that you would like to thank or acknowledge, I know your words will be warmly received. The form can be found here:

## Pride

As a school we are always keen to learn how former students are progressing in their further education and careers. If you know of any **Nailsea school alumni** that have not yet contacted us about their current situation, it would be great for them to get in touch and let us know what they are up to. Any updates can be made by contacting Annette Watts at [AWatts@nailseaschool.com](mailto:AWatts@nailseaschool.com) We look forward to hearing from you.

## Community

Our PTA are huge supporters of the school and, through their hard work and kindness, the school is certainly a better place. Yet again, they have done a fantastic job in sourcing some amazing prizes for the summer draw, with a top prize of £100. Tickets can be purchased via ParentPay in multiples of 5. Thank you, in advance, for supporting this great cause.

## Finally .....

at this time of year my parents regularly ask me what I am doing 'with all that freed up time' I must have with exam groups leaving. I now struggle not to groan when I respond, explaining that this time of year continues to be incredibly busy – not only finishing off this year but looking forward to next. Last week's Yr 11 Prom was a delight and I know the year 13 students would have had a similar experience last night in Weston. Induction day and evening was a huge success and with such a wonderful cohort joining us in September I know the future is very bright. Monday sees the return of 'Sports Personality of the Year' so we will be back at Cadbury House reflecting on the sporting achievements and participation of a huge proportion of our students. Although busy, getting to see our students and staff celebrate such success makes the tiredness all worthwhile.

Have a lovely weekend, including some time for relaxation!

Take care and be kind

Yours faithfully
