

# Active Revision – MATHS

## Assessment Point – Year 11 SUMMER SERIES

Research shows that students who do frequent chunks of revision across all 3 stages of revision below are more likely to reach their full potential.

- ✓ **Upload** – consolidate your knowledge
- ✓ **Process** – active retrieval practice
- ✓ **Download** – apply your knowledge

Using your latest red/amber/green assessment analysis sheet:

- Watch a Corbett maths video for your amber and red topics.
- Attempt a similar question independently
- Check your answer.

Using your past paper packs:

- Complete past paper questions with additional support e.g. Corbett maths videos, revision guide summary pages and written solutions.
- Check your solutions when answers provided.

Using your past paper packs:

- Complete next step questions using the teacher feedback and tips.
- Complete exam style questions independently.
- Check your solutions.
- Seek help to complete questions that you are still unsure of e.g. Period 6.
