

How to plan and prepare for KS4 Business

In Business, we **Upload, Process** and **Download** our way to successful grades, just like in all other subjects.

These listed strategies are supported by educational research, and are designed to enable you to engage with activities which result in successful outcomes.

1

Using your notes, create a **mindmap** for each of the 6 sections. Ensure you use keywords with and link concepts together.

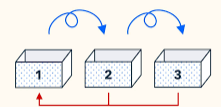

Using your notes, **create flash cards** with the key term on the front and explanations on the back

2

Create a recall mind map for a topic, checking your notes after to see if you've missed anything. Link ideas together

Carry out the **leitner box** technique each day, using the flash cards you have made

3

Complete an exam question.
Improve your answer using the mark scheme or examiners report.
Complete a Learning mat
Complete a quiz on BBC bitesize.
Complete the mini end of topic revision tests
