

How to plan and prepare for KS4 Drama (Written)

In Drama, we **Upload, Process** and **Download** our way to successful grades, just like in all other subjects.

These listed strategies are supported by educational research, and are designed to enable you to engage with activities which result in successful outcomes.

1

Consolidate class notes, create flashcards, complete/re-complete exercises in the 'Find Me' booklet.

2

Test and quiz each other, use cards to associate key aspects of the play with larger defining elements (themes etc), colour-code information and simplify facts/knowledge.

3

Respond to past paper questions – plan, complete, review, and refine.
