

How to plan and prepare for KS4 Assessment in HSC

In XXX, we **Upload, Process** and **Download** our way to successful grades, just like in all other subjects.

These listed strategies are supported by educational research, and are designed to enable you to engage with activities which result in successful outcomes.

1

.Using your notes, create a **mind map** for a topic of work. Ensure you use keywords with concise information

Using your notes, **create flash cards** with the question on the front and bull-point answers on the back

2

..Create a recall mind map for a topic, checking your notes after to see if you've missed anything

Carry out the leitner box technique each day, using the flash cards created in class or don't you need more

3

... Practice exam questions in timed conditions without any notes

Mark your answers using the mark scheme and improve in a different coloured pen

Use the examiner report to compare to your answer and see if you can go on see it
